Hi Ryan crazy day just circling back on this, Bob and I are really jammed up tomorrow from 10 to noon. I was hoping we can push this to the afternoon however I believe all the clean up language from this morning remains consistent with what we all agreed to on Tuesday. Let me know otherwise and/or if the time change works.

Thanks for everyone's efforts today.

Subject: Phase III Document

Good Afternoon UC,

I recommend having a phone conference tomorrow at 10:00am PST to discuss the Phase III Document with Unified Command. This plan has been in the development stage for well over a month. We need to consolidate all the UCs proposals and move forward with the plan. Suggestions continue to pour in and the Planning Section needs the cooperation of everyone who has authority to make decisions regarding the plan so it can be finalized.

Teleconference Information:

Phone Number – 1-877-613-0799

Respectfully,

Ryan Andersen

Planning Section Chief
